

My name is Abdulrasaq Ridwan Kolapo, a Nigerian and registered nurse, from Osun state Nigeria. I accepted to contest the position of the Public relation officer of Anni because of my penchant to serve and because I have all it takes to represent the organisation in this capacity.

Back in 2012, as a student nurse, I was the SUG vice president of my institution, where I achieved so many fits. I wouldn't want to delve into my achievements in the past until campaign start properly but I'll like to tell you what I would like to achieve with Anni. My goal is to put ANNI on a global map that each and every Nigerian nurse will be proud to identify with.

Abdulrasaq Ridwan.
