

## Association of Nigeria Nurses in Ireland (ANNI) 2023 Elections.

### *Vice President's Manifesto – Christopher Ibanga*

**VISION STATEMENT:** *ANNI on The Rise to Greatness!*

**MISSION STATEMENT:** *To make a proper, effective, and transparent representation for Nigerian nurses in Ireland.*

1. Harmony, tranquillity, justice, and peaceful coexistence is the bedrock of any development in every sphere of human endeavour which Nursing seeks to uphold through various pursuits.
2. Transparency, equity, effective collaboration, and sincerity of purpose are the ingredients that propel every leadership to achieve successful representation of its teeming members.
3. Effective leaders measure their successes by reflecting on the achievements and satisfactions of their constituent members and not personal, sentimental, envious, and egocentric claims of one's success.
4. Successful leaders draw their modus operandi from various dimensions of authoritarian, democratic and fairness modules of operationalizing any organization to make both ends meet in attaining organizational desired objectives.
5. Provision of effective services targeted at consumer satisfaction in spite of all odds and hurdles should be the watchword for every aspiring leader, carrying all and sundry along with the voice of every member counting in decision making will enhance easy deliverance of organizational wishes and aspirations.
6. Good and proactive liaison, bargaining, interprofessional collaborations, efficient communication with all stakeholders in the healthcare provision industry to uplift and improve the status and welfare of Nigerian Nurses in Ireland are tremendous, key, and indispensable priorities in meeting the aspirations of selfless Nursing leaders.
7. Accountability and responsibility shall be the hallmark of my office and every useful idea shall count as we march along towards greatness in this country.

8. The Opinion and constructive criticism of every member will be respected and taken into consideration towards creating a level-playing field for every Nigerian Nurse in Ireland to thrive and excel in their chosen profession.
9. The trumpet of ANNI will be blown to enlighten the population and stakeholders of our activities vis-a-vis our earnest yearnings for a better and well positioned Nigerian Nurse in Ireland
10. If given the mandate, I along with the EXCO are determined to run an all-encompassing system of leadership, where responsibility will be shared, and every member will be considered relevant in deciding how the affairs of the association should be conducted.
- // If elected to office, I will ensure that accountability and transparency in all ANNI transactions remains the watchword of our leadership style.
- /2. If you give me the mandate as your Vice President, I promise to work for you assiduously with our indefatigable President to implement our mission of providing a forum for collective action by Nigerian Irish nurses to "investigate, define and determine issues affecting its members with a view to implement the needed change to alleviate and improve the living and working standards amongst members".
13. Your vote for me as your Vice President will go a long way towards addressing the integration, education, health, housing, social services, culture, and economic development needs of Nigerian Irish Nurses in Ireland, through programs, services, and advocacy.
14. I will draw from my wealth of experiences in holding similar offices in the past and in the present to stand up to the powers that be on your behalf and draw down the dividends accruable to us as an indispensable part of the Irish healthcare system.
15. We can make it happen. And yes, we will make it happen through your vote and all-the-way support. Make it count!
